

What is Earthly Blessings?

Earthly Blessings was established in September 1999. It is a non-profit, unique and inspirational Christian gift shop, with the proceeds going to St. James Catholic School.

The store is staffed by volunteers who care deeply about supporting St. James School and the community.

Our customers will always be pleasantly surprised by the constant changing of the displays in the store and the variety of gift ideas.

“always something special for your soul.....”
